COURSE INSTRUCTORS

Jonathyn "Jon" Priest is a thirty-one year veteran of the Denver Police Department in Colorado. He has over twenty-seven years of experience investigating thousands of criminal incidents of violence as a detective, supervisor, and command officer. He is a Court recognized expert in Colorado District Courts and U.S. Federal Courts in bloodstain pattern interpretation, crime scene and shooting incident reconstruction, death investigation, and major case management. In addition to criminal testimony, he testifies and consults in civil cases in the area of death investigation and major case management. He has extensive background in the area of death investigation and officer-involved critical incident investigation. Jon developed the Denver Police Department's investigation protocol and training curriculum in the area of death investigation, officer-involved critical incidents, and interview and interrogation. He also has a great deal of experience in the area of video documentation of criminal incidents. He trains law enforcement officers on a state and national level in these disciplines. He regularly consults with the District Attorney for the Second Judicial District as well as the Denver City Attorney in the area of criminal investigation.

Tom "Grif" Griffin has worked as a criminal investigator the Colorado Bureau of Investigation since 1982. He has provided analysis and testified as an expert witness in Colorado district courts and/or federal courts in bloodstain pattern interpretation/crime scene reconstruction and crime scene investigation and in the specialties of fire debris, controlled substances, and primer residue. Prior to working at CBI, he was a criminalist and crime scene investigator at the Greeley, Colorado Police Department. Griffin is International Association for Identification (IAI) certified as a Senior Crime Scene Analyst (CSCSA) and a Bloodstain Pattern Examiner (CBPE), and is a member of the IAI Bloodstain Pattern Examiner Certification Board. He is a charter member of the Scientific Working Group on Bloodstain Pattern Analysis (SWGSTAIN). He has served as president of the International Association of Bloodstain Pattern Analysts (IABPA), the Association for Crime Scene Reconstruction (ACSR), the Rocky Mountain Division of the IAI, and the Rocky Mountain Association of Bloodstain Pattern Analysts (RMABPA), as well as actively participating on various committees for these associations. He is also a member of the Southwestern Association of Forensic Scientists (SWAFS), the United Kingdom's Fingerprint Society (FPS), and the American Chemical Society (ACS).
